MIKE TENNANT SCHOLASTIC ACHIEVEMENT AWARD

This award is presented annually to Santa Monica PONY League players showing outstanding academic achievement. Players earn the award with a grade point average of at least 3.5 on their final report card. For elementary school students who receive grades based on a point system or achievement standards, the final report card must show a level of proficiency in all areas or at least a 4.0 average based on a 5 point scale (advanced = 5 points, proficient = 4 points, making progress toward proficiency = 3 points). If you are unsure of your child's academic standing, please mail a copy of his/her report card with the application form and we will calculate it for you.

Award recipients will be included in a celebration where they will receive a Mike Tennant Scholastic Achievement medal. They will also be recognized during the opening ceremonies for the 2011 PONY baseball season.

Please mail this form with a copy of your 2009-2010 report card by **8/31/10** to:
